

ZOOMSA!

JULY 4 - 10, 2021

PRE-CAMP MUSE

Welcome to Zoomsa! We will kick off our virtual camp with the Opening Celebration at 4:00pm on Sunday, July 4. Then throughout the week, we will gather to learn, discuss and connect. To learn more about all of the offerings, go to muusa.org/brochure

THE SCHEDULE

At the end of this Muse, you will find a day-by-day schedule which includes Zoom links for every session. This info - plus session descriptions - will be available all week at muusa.org/schedule. Links will also be sent in a daily email to campers.

CENTRAL TIME ZONE

Central Time is the default time zone for MUUSA, whether online or in person. You can import the camp calendars into your own calendar program by using the subscription links on page 3 or at muusa.org/calendar. If you are in a non-Central time zone, your computer should automatically switch the events to your time zone.

REGISTRATION REQUESTED

On the schedule, you'll see "Registration Requested" on some sessions due to a limit on the number of participants. You can register for those by logging in at muusa.org and clicking "Workshop Preferences." Or you can attend the Zoom gathering and see if there are spots available.

YOUTUBE PLAYLIST

Have you seen the promo videos featuring our workshop leaders? Take a look! Once you hear what our presenters will be offering, you may want to add a few more sessions to your ZOOMSA week! bit.ly/ZOOMSATube

ZOOMSA PAGE

We have created a single page which contains links to all of the information you will need to participate in ZOOMSA. Bookmark muusa.org/zoomsa to access information and links throughout the week of camp.

ART AND BOOKS

Although we are not able to have an Art Fair this year, we *are* able to feature some of our camper artists at muusa.org/art. And go to muusa.org/bookstore to find a selection of books by our campers and titles from the UUA.

MATERIALS FOLDER

Looking for handouts, supply lists and/or ingredients needed for a certain session? Check out the ZOOMSA Materials Folder at muusa.org/materials.

RECORDING OF SESSIONS

Several of our adult workshop will be recorded. for campers who are unable to attend in real time. Links to those recordings will be posted at muusa.org/schedule. If you are attending a session and do not wish to appear in the recording, you will need to mute your video.

CALENDAR

Below is an overview of the ZOOMA Calendar. The full ZOOMSA schedule, including Zoom links and session descriptions, can be found at muusa.org/schedule. You can also see the specific workshops which you have signed up for by logging in at muusa.org and clicking "Workshop Preferences" in the menu.

The schedule for Burt (Sr. High) and Meyer (Jr. High) participants will be sent directly to campers by the program coordinators.

You can click on any of the calendars below to import the events in your own calendar program. If you are not in the Central Time Zone, your computer should automatically adjust the times of the events so that they appear correctly in your time zone.
