WELCOME

I know these last two years have been hard on us all, but the time has finally come when we can get together in person. I can't tell you how much I have missed all of you! I can't wait until we can make music together, catch up with friends that we haven't seen in person, and enjoy the gifts of the programs presented by fellow campers in workshops, worship, and play. Dr. Glen Thomas Rideout has graciously hung in there with us as well. I know I am looking forward to seeing him "live" in our Morning Celebrations.

To those of you who are new to camp, welcome! We are so glad to have you with us. We hope that you will find our week together meaningful and will consider making MUUSA an annual tradition!

I also wanted to express my gratitude to each and every one of you. YOU are what makes MUUSA so special. This is my last year as your MUUSA president, and while my tenure has been primarily virtual, it has been my honor to serve you. Thank you! See you next week!*

Susan Stafford
MUUSA PRESIDENT

* We say "see you next week" instead of "see you next year" when camp ends.

COVID PROCEDURES

Our goal is to provide a memorable camp experience that is as close to previous years with a new emphasis on safety. All campers who are eligible for vaccination must be fully vaccinated in accordance with CDC guidelines prior to the start of camp in 2022. Vaccines allow us to care for each other and our community. One camper getting sick is one too many, and we are grateful for this opportunity to protect each other.

We do not yet know what best practices will be in July and our guidelines on masking, physical distancing, testing, etc. will be made in accordance with evidence-based public health recommendations closer to camp. We will provide these to you by June 1st. Questions should be directed to Jesse Hardin, the Omsbuddy and lead for the PC Covid Task Force, by email at jesse.hardin@gmail.com.

JR. HIGH PROGRAM

ALSO KNOWN AS "MEYER"

for those entering 7th - 9th grades

It's like virtual camp, but real! In the Junior High Program or "Meyer" junior highers live together in a cabin with their hardworking counselors who create a safe place for sharing, learning their own boundaries, and building a fantastic community. Our young teens participate in team-building initiatives, mystery solving, pun-offs, games, dancing, and workshops focused on creating change and growth, personally and community-wide. All Meyer activities are designed to support emotional and spiritual growth, and empower junior high youth. We are also sure to have plenty of fun, like it's a vacation or something! For more information, contact Ben Krueger (benjkrueger@gmail.com) and Trevor Smith (trevorsmith7224@gmail.com).

SR. HIGH PROGRAM

ALSO KNOWN AS "BURT"

for those entering 10th - 12th grades

Programming for "Burtoids" will include workshops, worship, music sharing, games, talent shows, and other yearly traditions. For more information, contact Abe Marsh (abemarsh@gmail.com) and/or Margaret Mitchell (coronamadonna@gmail.com)
