ZOOMSA!

JULY 4 - 10, 2021

A week of online connection and inspiration
Register at muusa.org

WELCOME

Dear Friends!

How I wish I could be preparing to gather in person! While the decision to meet virtually this year was a difficult one, it was also the only safe choice. But I miss seeing you all in person!

Nevertheless, your Planning Council has put together an amazing variety of programming for you all for virtual MUUSA - or ZOOMSA - this week! We have programming during the day and the evening and something for every age group. I know you will find things to do and ways to connect with other campers! Choose from social time, games, vespers, worship, exercise, beverage tasting, cooking, critical thinking, and so much more! I hope to see you "next week" at Zoomsa!

Susan Stafford

“

I predict we'll have
an excellent
reunion in July. I'm
virtually certain.

GOING VIRTUAL

What can you expect from online camp?

Zoomsa programs will be presented via **Zoom or YouTube**. If you have experience using both of those, you will easily be able to access all of the offerings. If you don't feel comfortable with those platforms, please send a note to apc@muusa.org and we'll connect with someone who can personally assist you.

Programming has been scheduled throughout the day in order to accommodate a variety of availability. If you are not able to attend a presentation at the time it's offered, you may be able to view it later. The **sessions which are being recorded** will be indicated with this icon:  Links to those recordings will be available at muusa.org after the session.

When sessions have a large number of participants and are more social or interactive in nature, we will break into **Zoom Rooms**. If that happens, your Zoom host will randomly assign you to a smaller breakout group in order to facilitate conversations.

Some of our programs have a limit on the number of participants and this will be noted in the description. You will want to **register early** in order to reserve your spot in those sessions.

For the "no limit" programs and social events, you can simply show up at the posted time. However, some of these offerings can only be done if you acquire some items ahead of time. If you **indicate your interest** on the registration form, presenters will know to send you the materials list ahead of time. These supply lists will also be available at muusa.org.

Early Registration ends June 1

Campers who **register by June 1** will be invited to submit videos for the Opening Celebration and Virtual Choir. General Registration continues through the end of camp on July 10. Zoomsa is FREE but we still need everyone to register.

Are you ready?

- 1** Go to muusa.org to register everyone in your household for **FREE!**
- 2** While you are registering, could you consider making a **donation** to cover our costs (like zoom licenses, programming fees, insurance, administrative fees. etc.)? We also hope to make a donation to Trout Lodge.
- 3** Once you are registered, you will be able to access the [Zoomsa page](#) at muusa.org where you will find a calendar and links to materials and sessions
- 4** Send in your **video** for the Opening Celebration and/or virtual Awesome Choir video by June 1. Sign up for Coffee House by June 30.
- 5** Watch for **emails** in July with Zoom links and daily reminders about upcoming activities.

GUEST SPEAKERS

Opening & Closing Celebrations

Rev. Misha Sanders is feeling very blessed to be the Senior Minister at Northwest Unitarian Universalist Congregation in beautiful Sandy Springs, Georgia. She is a fiery preacher of the good news of Unitarian Universalism, and believes that the whole world is built and rebuilt by the stories we tell ourselves and each other.

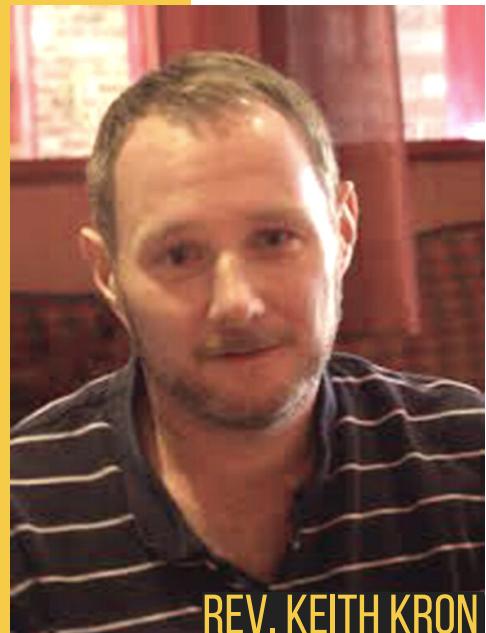

REV. MISHA SANDERS

DR. GLEN THOMAS RIDEOUT

Artist, theologian, teacher Dr. Glen Thomas Rideout is among Unitarian Universalism's most prolific worship leaders, an influential voice in worship and music craft in a season of fundamental culture shift faith-wide. As Director of Worship and Music for First Unitarian Universalist Congregation of Ann Arbor, Rideout leads the uncommonly-collaborative team worship planning process. During his tenure, Ann Arbor's worship and music ministries have risen to be denominational leaders in congregational singing innovation, ensemble spiritual practice, and liturgical imagination.

REV. KEITH KRON

Midweek Reflection

Rev. Keith Kron is the Director of the Transitions Office for the Unitarian Universalist Association, helping congregations and ministers as they navigate the ministerial search process. He is the former Director of the Office of Bisexual, Gay, Lesbian, and Transgender Concerns for the UUA. He has taught an online course for school on children's literature. He has created a special Harry Potter Jeopardy game and is considered by many to be an expert on Harry Potter.

Carolyn Hildebrandt is a professor of psychology who has taught college-level courses on this topic in London and the U.S. Ken Sharp is a retired professor of chemistry with interests in the history of science. **No limit.**

VIRTUAL BINGO

CALLING ALL ARTISTS!

We are exploring the idea of offering camper artwork for sale in an online gallery. If you are an artist who would like to participate, please let us know on your registration form! If we have enough interest, we will look further into creating this online venue.

FOUND AT MUUSA.ORG

We have partnered with InSpirit Bookstore to create a list of titles and items especially for our campers. Go to muusa.org starting May 1 to visit our bookstore and to purchase Book Discussion selections while supporting this UU vendor.

I SPY...

How many treasures do you find around camp during MUUSA? Do you have a collection of ducks, dogs, or army men doing yoga? What will be hidden this year and how many will you spot during virtual sessions? Keep track of your "collection" throughout the week.

HOW FAR CAN WE GO?

Let's get moving during Zoomsa and track how many miles we all cover. Can we accumulate enough to make it to Potosi and back? Campers will submit miles (method TBD) and we'll add them up to track our collective progress throughout the week.

FIND FIVE IN A ROW

A bingo card will be shared with all registered campers and will include things to look for during virtual sessions. All ages are encouraged to participate.

REGISTER

Zoomsa is FREE and registration is open now! Space is limited in some sessions, so you'll want to sign up early. Register by June 1 to be part of the opening celebration video, participate in the virtual choir or - for Jr./Sr. High - to receive a care package.
